

Hey Folks, thanks for your interest at The Habitat.

We get many bands/performers that want to play at Habitat, but it's just not possible to accommodate everyone who sends in requests. Its possible your request may be rejected, not because we don't want you to play here, but because we have limited bookings available and we receive a high volume of requests.

When is the last time you recall spending your hard earned money to see a show? It was most likely because it was something you had seen on television, heard on the radio, or was dragged to by your die-hard fan friends. So basically if you are an unknown act, chances are that people aren't going to show up just because you're playing... even at the hottest venues. Please check out our Open Mic Night every Wednesday.

Typically, the band makes no money if no one shows up. Actually, no one makes any money. If that keeps happening the venue eventually closes its doors, which means one less live venue for bands to play at. Please keep this in mind when sending in your request forms, and allow for a minimum of four weeks for proper promotion.

SUBMISSION PROCESS:

First off, refer to the "Book an Event" page on our web site: <http://www.thehabitat.ca>, and submit the booking request. You may call our office between 12pm – 5pm, Tuesdays & Wednesday, to inquire as to the status of your request. However, please keep in mind that we do not book over the phone, and harassment will result in the rejection of your request to play at Habitat. We like information on bands, so the more you can send the better. For promo packages, please send to unit 206-686 Lequime Road Kelowna British Columbia, V1W 1A4

SUCCESS:

First you will be contact by a Habitat show rep, who will confirm the details of the booking with you or your agent / group. Now that you've been booked it's your job to ensure a good turnout. Call the radio, send us any press kits to use and get online a contact our local event listings to support the show. Our capacity is 131/hybrid shows and 300/de-licensed/all ages. It's important that you're able to reach these numbers if you want to make the show a success. A good turn out makes everyone happy. Happy people re-book you.

POSTER LAW:

We understand you're a star Photoshop master and your posters are a masterful piece of art... but ALL POSTERS MUST BE APPROVED BY HABITAT. (Some helpful hints: make sure our logo is properly displayed, the address is correct, and your art is tasteful.) If your computer art skills are anything but exceptional,

Habitat offers a poster design/printing service for the artistically impaired. With that said...

Good Luck!

Venue: 248 Leon Ave, Kelowna BC V1Y 6H9
